Crawford CAT Team Responding to Wildfires in Slave Lake, Alberta

TORONTO (May 18, 2011) – Crawford & Company (Canada) Inc. has begun organizing to deploy adjusters into the area affected by the wildfires that have struck Slave Lake, Alberta. Adjusters are ready to assist with the damage and devastation being caused by the fire.

"We are in full planning mode given the current situation in Slave Lake and surrounding areas. Fortunately there has been no loss of life or serious injuries to the residents of this community. We are discussing the claims needs with our clients by the hour to determine resources required and we will deliver effective services to those residents and commercial entities." said chief executive officer, John Sharoun.

He added, "We have already received numerous large losses, both commercial and residential. We will be deploying our Global Technical Services (GTS) personnel, regular field adjusters, as well as our dedicated catastrophe adjusters to the area as soon as we have clearance to enter."
